Dear Sir,

M.V. "EMPIRE TEDMUIR"

With reference to the Secretary's letter dated the 31st ultimo regarding cargo leakage in the pump room of the above vessel, I beg to state that the tests of No. 2 Cargo Tank, port and starboard, were witnessed by me and the results satisfactory.

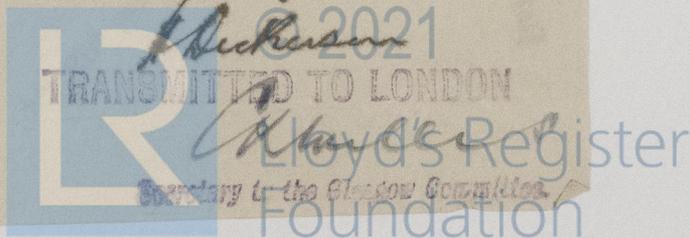

When the tanks were tested the bulkhead pieces were in place and no leakage was observed between the flanges and the bulkhead plating.

The tanks were not again tested when the cargo pipe lines were complete.

I am, Dear Sir,  
Yours faithfully,

The Secretary,  
GLASGOW.
