Lloyd's Register of Shipping,

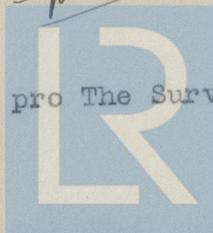

31-32, Oxford Street,

Southampton, November 17, 1948

Dear Sir:

With reference to the Wood Ship "JOHN BISCOE" which has recently been under survey for Classification (completion survey) at this Port, we would advise that despatch of our reports has been somewhat delayed pending sundry information from Messrs. John I. Thornycroft & Co. Ltd., It is, however, anticipated that we will be in a position to report the vessel at an early date.

We are, Dear Sir,
Yours faithfully,
