Dear Sir,

ANSO.....

"JOHN BISCOE".

We have been requested by Messrs. John I. Thornycroft & Co. Ltd, to give them our approximate fees for the Classification Surveys of Hull, Machinery and Electrical Installation of the above vessel, and as these surveys have been partly held in London, we shall be glad to have your guidance in this matter.

For your information the outside of shell is being completely sheathed at this time and also all machinery opened up for survey.

The deferred reports are enclosed for your guidance and we shall be glad if you will kindly return same to this Office for our further use.

It is submitted that an inclusive fee of £50.0.0. might be charged for the survey at Southampton over and above the inclusive fee of £150.0.0. which appears to have been charged at London, and we shall be glad to have your approval of this.

*paper please*

We are, Dear Sir,  
Yours faithfully,

*J. Amiel-Cas.*
