QUESTION.

ANSWER.

With reference to my letter of the 19th forwarding the deferred reports and your reply of the 20th October last, I shall be glad to learn how this case stands as regards the completion of the Special Survey.

I think it well to point out that the Load Line Certificate will expire on the 28th instant and a Load Line Renewal Survey will be required to be held in conjunction with the Special Survey.

This vessel is laid up in the Dockyard pending the completion of the work on 'L.C.8 & 9' and no action will be taken until these vessels are completed which is not likely to be for some months, as they are considered only to be standby jobs.
