/P.

NEWCASTLE-ON-TYNE, N^o 110045

Port NEWCASTLE UPON TYNE.

24th December, 1952.

This is to Certify that I have

Surveyed the M.V. "DRAKELOW", 313 tons gross of Cardiff, afloat on the 21st December, 1952 in the Import Dock, Blyth on account of shell leakage in the forward hold (port side), cause unknown,

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report, stating that all temporary repairs recommended by me have been completed to my satisfaction, and that I have Recommended that she be continued as classed in the Register Book without fresh record of survey, subject to shell stringer rivets (port side forward) being further examined and dealt with as found necessary, at the next drydocking, and to all other conditions at present attached to the vessel's class being dealt with as previously recommended,

being fit to carry her usual cargoes.

Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
