Dear Sirs,

I duly received Mr. McGlashan's letter of the 22nd instant respecting the equipment proposed to be supplied to the Admiralty Trawler "GEORGE HARRIS" on her conversion to a cargo carrying vessel, and in reply thereto I am directed to state that in the circumstances the same will be approved in this instance, subject to the stockless bower anchor weighing 6 cwts. 2 qrs. being replaced by one of 8 cwts. 1 qr.

I am, Dear Sirs,

Yours faithfully,
