

ADMIRALTY "CASTLE" CLASS TRAWLER "GEORGE HARRIS"

This vessel is in process of being converted to a cargo boat.

As at present fitted the vessel has equipment suitable for a steam trawler, and the Hull Surveyors now propose certain additions to this equipment.

A comparison of the proposed total equipment and that required by the Rules is shown below:-

<u>RULE.</u>	<u>Cwts.qrs.lbs.</u>			<u>PROPOSED.</u>	<u>cwts.qrs.lbs</u>		
1 stockless Bower anchor	8.	1.	0	1 stockless Bower Anchor	7.	1.	0
" "	8.	0.	0	" " "	6.	2.	0
1 Kedge anchor ex stock	2.	3.	0	1 Kedge anchor ex stock	3.	0.	0
Stock say		2.	21	Stock say		3.	0
1 Kedge anchor ex stock	1.	0.	0	1 Kedge anchor ex stock	1.	0.	0
Stock say		1.	0	Stock say		1.	0
	<hr/>				<hr/>		
	20	3	21		18.	3.	0
	<hr/>				<hr/>		

5/6" stud chain cable wt. 74cwts. 1qr. 26lbs.	135 fms. 1 1/16" stud link cable Total wt. 78cwts. 0qr. 0lbs
1/4" steel stream wire	60 fms. 2 1/4" steel wire
1/2" steel towline	60 fms. 2 1/2" " "
" hemp hawser	90 fms. 5" hemp hawser

It is submitted the equipment as proposed approved provided the stockless bower anchor weighing 7cwts. 2qrs. be replaced by one of 8cwts. 1qr.
