27th August, 1934.

Dear Sirs,

S. With reference to your letter of the 23rd instant, relative to the Motorvessel "PINE COURT", I beg to acquaint you that the matter of this vessel's equipment has been taken up with the Society's Surveyors at Hamburg, and in the circumstances they are being informed that provided the certificates and the marks on the equipment are in order the figure "1" could be recommended to be assigned to this vessel's class, and that if this is so they have been instructed to issue a new interim certificate without special condition, excepting in respect of the 15 fathoms of chain cable to be supplied.

In the circumstances I shall be obliged if you will kindly return to this Office the certificate which is already in your possession.

I am, Dear Sirs,

Yours faithfully,

Messrs. E. H. Mundy & Co., Ltd.,
Walsingham House,
