

EA

Ship's name "Y.C. 325"

Port

Hull.

No. 68579

This Dumb Mooring Lighter when commissioned in 1947 was then classed #100A- "Mooring Barge "For Government Service".

The class subsequently lapsed in accordance with normal practice for Admiralty Ships.

For further particulars see endorsements dated 19.12.62 and 1.1.63.

The HULL Surveyors report (12.62) ship in dry dock for examination by prospective purchaser.

No further information is available and the ship remains laid up at Hull.

SUBMITTED ACTION be DEFERRED pending receipt of further information.
