Dear Mr. Bell,

Dumb Mooring Lighter - JOB 354.

In naming the above vessel
"MOORPOUT", it is apparent that an error
has been made, as an earlier vessel of
this class already bears that name.

This vessel will be attached
to H.M. Dockyard, Rosyth as a yard craft,
and is to be designated "Y.C. 325".

Yours faithfully,

J.M. Law.

for W.P.S. London & E.C. Area.
