Dear Sirs,

"Y.C. 325"

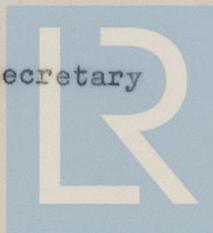

With reference to the 3rd paragraph of your letter of the 3rd instant concerning the above non-propelled mooring barge, please note that whether or not a freeboard assignment is desired in the future, you should complete a Rpt. C.11 now for classification purposes.

Moreover, as there appears to be a possibility that a freeboard assignment will be required in the future, you should also take this opportunity to take the usual measurements for completing a report C.11(comp).

Yours faithfully,

The Surveyors,  
HULL
