Assn.(H)

Dear Sirs,

## T.S.S. "TRANSFORD II"

With reference to my letter of the 14th ultimo, I shall be obliged if you will kindly let me know whether you are yet in a position to furnish me with your proposals for carrying out the Special Survey and Load Line Renewal Survey.

At the same time I have to acquaint you that, as a result of a survey carried out by a Surveyor appointed by Lloyd's Agents at Fort de France, a recommendation was made for the screwshaft liners to be renewed by the end of next month, and in these circumstances it will be appreciated if you will let me know your intentions regarding this matter and also ~~that of~~ the Boiler Survey, which becomes due at that time.

Yours/faithfully,

c.c Fbd.
