

m.s. "SUNNY PRINCE"

This ship, built in 1926-3, is classed  
\*100A1 "With Freeboard".

The last S.S. Notation is "SS Ham. 9,56".  
This SPECIAL SURVEY (C) was commenced at Hamburg 9,56  
and completed at Hamburg 3,57. The principal part is  
considered to have been held 9,56.

There is also a Notation "SS Ham. 9,52(Dr)".

There is an S.R.L. Appendix Note.

In a letter dated 21.11.58 the OSLO  
Surveyors advised Owners' disappointment that the notation  
"SS Ham. 9,56" had been assigned instead of "SS Ham. 3,57".  
The reason for this was explained in our reply of 25.11.58.

In view of a further letter on the subject  
from the Owners dated 1.12.58, reference was made to the  
Hamburg Surveyors who confirm~~ed~~ that the commencement of the  
SPECIAL SURVEY (C) held 9,56 was then planned to give a  
Special Survey date on completion i.e. 3,57.

The reports of the case have again been  
specially gone over, and in view of the part Special Survey  
held 3,57 - refer Ham.Rpt.No.5580 and also other  
circumstances brought to light, it is considered in this  
instance that the notation "SS Ham. 3,57" might be assigned,  
and is ~~also~~ recommended for favourable consideration.

AMEND R.B. Vol.1, Col.5.

FROM:- "SS Ham. 9,56"

TO :- "SS Ham. 3,57."
