Dear Sir,

M.S. "SUNNY PRINCE"

The owners of this ship who are contemplating the sale of the vessel were of the opinion that the Special Survey date was 3/57. They now find to their consternation that the Special Survey date is given on the Classification Certificate and in the current supplement as 9/56. This they assume must be an error, as our Surveyor was instructed when the vessel repaired at Hamburg in September 1956 to leave enough of the Special Survey until the next year so that the date would be in 1957. This would appear to be so, according to the Hamburg Surveyor's interim certificates dated 11th September 1956 and 26th March 1957. The latter certificate states clearly in the recommendation S.S.Ham.3/57 and as far as our records show this interim certificate has not been cancelled.

As the matter is urgent an early reply would be appreciated.

The Secretary,
London.

Yours faithfully,
THE SURVEYORS,
Per

David J. Grant
