Dear Sir,

"TANDJONG OEBAN"

Reverting to your cablegram of the 19th March, regarding the outstanding items of Special Survey on the above vessel, I have forwarded to the Acting Surveyor at Singapore, copies of our reports and correspondence regarding this case, for his attention. These particulars should give him the outstanding items to be dealt with at his port.

In addition to the above, I have also forwarded a letter, together with a Load Line Assignment from the Society's Surveyors at Rotterdam and requested him to advise you when this matter has had his attention.

Yours faithfully,
