Dear Sirs,

M.V. "CAPETOWN CASTLE"

With reference to your enquiry on the telephone last month regarding the fee of £13.0.0 charged for the survey of the four Donkey boilers of the above vessel, in which it was claimed that as the heating surface of two of the donkey boilers was under 1500 sq.ft., the fee should have been charged on the reduced scale, I beg to acquaint you that the matter has been referred to the Society's Head Office and that it has been confirmed that the lower charge for boilers of less than 1500 sq.ft. of heating surface applies only to smaller ships and not to vessels of the size of the above.

It was pointed out, however, that the charge for each donkey boiler should be £3.0.0 which in this case makes a total charge of £12.0.0 for the four boilers, and I enclose herewith an amended account accordingly and shall be obliged if you will kindly cancel the one sent to you on the 11th September, last.

I am, Dear Sirs,  
Yours faithfully,

(sgnd) C. R. WILLIS.

Secretary to the Glasgow Comm.
