The Secretary

LONDON

Dear Sir:

"SINCLAIR H-C"

I have your letter of the 4th instant and am glad to learn that in the circumstances of this case the Committee have decided to defer the assignment of a "Laid up - Survey overdue" notation.

The Owners have already given a verbal undertaking that all overdue surveys will be carried out before the ship again enters service and in this instance it is considered that this should suffice.

I note that the whole question of the assignment of laid up notations will be brought before the next combined meeting of the Classification Rotas, and I hope to write to you further before that time.

Yours faithfully,

Secretary to the American
Committee.
