capacity tons. FPT tons; APT tons; MT feet tons.

Only alterations in the existing records of tanks should be inserted.

V.B.—All alterations in the existing records should be underlined.

Report, No. 15473. Port Cal.

Surveys, when held, must be reported in detail and serially in the terms of the Rules and items remaining to complete Surveys should be summarised. State clearly the cause of Repairs, if any, and, in detail, the nature and extent of Examinations subsequent repairs. Repairs on account of Damage (the cause of which must be stated) should be separated from Repairs due to causes; and besides being detailed in the body of the report, should be summarised in the form shown below. Whenever the placements of Anchors or Chains, is reported the particulars should be clearly stated in the space provided on the back of this form also the date and initials of any letters respecting this case.

In cases where the Surveyor has not made a special damage report he is required to state whether he offered his services for this purpose and to whom and why they were declined.

Society's Freeboard (if assigned) as painted on Ship and now verified

Was a damage report made by anyone else? if so, by whom?
