17th September, 1957.

Dear Sirs,

s.s. "AI SOKULA".

With reference to my letter of the 29th July last, I shall be glad to learn whether you are yet in a position to let me know what arrangements have been made for the Boiler Survey and Steam Pipes Survey, also examination in drydock to be carried out.

This vessel will become due for Special Survey at the end of December next, and it will be appreciated if you will also endeavour to ascertain the Owners' intentions regarding the carrying out of this inspection.

Yours faithfully,

Clerk to the  
Classification Committee.
