The Surveyors,
Lloyd's Register of Shipping,
4 Bridge Street,
SYDNEY. N.S.W.

Dear Sirs,

"AI SOKULA"

We beg to refer you to your letter of the 17th
September, 1956.

We have to report that the "AI SOKULA" was docked
here during April, 1956, and a survey carried out by Mr.
E. Bowyer Corbett, M.I. MAR. E. (LOND) at that time.

The surveyor has now presented his report, copy
of which is enclosed for your purposes - details regarding
the boiler survey are included in the report.

It is noted that the screw shaft survey - "AI
SOKULA" - will become due in May 1958. We are advising the
Owners accordingly.

Yours faithfully,
MORRIS HEDSTROM LIMITED.
