LONDON

Dear Sir,

Reverting to your classing letter of the 28th February last respecting the dredger "FU SHING" I have to inform you that the overspeed trips have been fitted to both turbo-generators and the turbine casing of the forward generator has been removed.

The examination of the overspeed trips under working conditions and the re-adjustment of the safety valves will take place before the vessel is put in commission.

I am, Dear Sir,

Yours faithfully,
B. S. Bielowski.

The Secretary,
