Dear Sir,

With reference to our letter of the 19th ultimo, and yours of the 15th January, 1952, addressed to Messrs. Buckley, Hall Devin & Co., relating to the above vessel, we beg to inform you that, after explaining to the local agents for the prospective purchasers that the Classification Certificates would not be issued until the outstanding fees are paid, we have received an assurance from them that this matter will be settled forthwith by the Liquidators.

In the circumstances it is requested that the Certificates may be forwarded to us, so that they may be ready for issue immediately the account is cleared up.

We may say that in the meantime we are carrying out the Modified Survey of Machinery, Screwshaft, Annual Docking and Annual Classification Surveys.

Yours faithfully,
The Surveyors,
