Dear Sir,

"Empire Ace" ex
"Diligent" ex "Empire Ace"

With reference to your letter of 19th ultimo, the Admiralty representatives at Rosyth have requested us to proceed with the requirements for issue of a Load Line Certificate and the survey work has now commenced.

We shall be glad if you can send us the freeboard markings for the ship also a copy of the Call report as we understand the ship has not been altered since her original assignment of freeboard.

For your information the ships name will revert to the original one, namely "Empire Ace", and will not be reclassified.

Yours faithfully,

THE SURVEYORS,
