

COPY. AIR LETTER

# Lloyd's Register of Shipping,

29th August, 1919. Fenchurch Street, E.C.3.

S  
Dear Sirs,

In connection with the vessels recently built at the yard of the St. Lawrence Metal and Marine Works, Inc. at Quebec, we are still awaiting reports of completion in the cases of the motorships "KUEI MEN" and "CHING MEN".

ing  
The outstanding item, as you are probably aware, is the satisfactory fitting of the cargo port doors and side lights, and I shall be glad to learn what arrangements are being made for this work to be done as the Owners' Quebec Office are anxiously awaiting the receipt of classification certificates.

A copy of this letter is also being addressed to Mr. Ritchie at Keelung.

Yours faithfully,

*Copy sent Keelung*

Clerk to the  
Classification Committee

The Surveyors,  
HONG KONG.
