QUEBEC.

Dear Sirs,

Your reference E-2723
Classification Certificates
for 160' Vessels.

We have to acknowledge the receipt of your letter of the 22nd instant, in which you draw our attention to the fact that you have not received the Classification and Machinery Certificates for the m.v. "KUEI MEN", "CHING MEN" and "SHIH MEN".

In the case of the Certificates for the "SHIH MEN", we have to advise you that hull and machinery Certificates No. F 6700 for that Vessel were sent to Messrs. Geo T. Davie & Sons Ltd., on the 29th April last, and in their letter of acknowledgment dated the 6th May, 1949, they advised that the Certificates were being sent to the Owners.

With regard to the "KUEI MEN" and "CHING MEN" we are of the opinion that the assignment of class is deferred pending the receipt of Reports from China that the cargo doors and side-lights have been completed satisfactorily.

The matter has, however, been referred to our Head Office in London by Air Mail and we will advise you further in due course.

Yours very truly,
(signed) N. Dobson.
