QUESTION

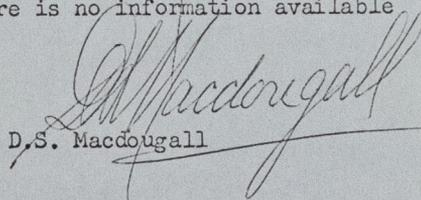

ANSWER

This ship stranded at Assenta Beach, 65 miles North of Lisbon on 2nd October last.

Please enquire and kindly let me know all available details of the casualty and whether salvage attempts have been abandoned.

Date:— 19th November, 1970

We are advised that after survey by a surveyor acting on behalf of the Dutch Underwriters this vessel has been declared a C.T.L. and sold as scrap to a Sr. José Luis Tojal, Lisbon. We have made several enquiries with a view to obtaining details of this casualty but as far as we can ascertain there is no information available here.
