

Three Masted Schooner S^t Demerick 310 Tons
Built at Garmonck in 1864 and Classed
7A.1.

In reference to the Owners application
for an improved Class for this vessel
viz - 8 years under Table A and one
year for Sall -

It is submitted that she is entitled
to the 8 years grade under Table A
excepting that her Spirketting and
Blanket sheers are ^{hardly} of American Oak - 7 years
Staves and Topsides appear to be of
American Oak, this to be 8 years must
be Salled.

M^r Kettle should be required to
report specially on these points, and
if the Owner considers he has a claim
for Sating - Proof of the Rules having
been complied with during the vessel's
Constructing, as relates to Sall; will
have to be supplied in the usual
manner, and in accordance with
the course followed by the
Jesp^m Rose of Aberdeen under
similar circumstances -
