The Secretary

Sir,

I beg to acknowledge the receipt of your letter of the 23rd Instant, referring to the stream anchor, supplied to the Iron S.S. Glencables by Report 3540, and in reply beg to inform you that as directed, I have been in communication with Messrs Hall Russell & Co the builders of the vessel from whom I have received letter enclosed, on reference to which it will be observed, that they ask the Committee to kindly reconsider this case on the ground, that the total weight of the anchors is in excess of the requirements of the rules table 22. That I beg to submit this case for the reconsideration of the Committee.

I am
Sir
Your obedient servant
