TELEGRAPHIC ADDRESS
"DAVIDSON. ABERDEEN."

Provost Blackie's Quay

Aberdeen 24 May 1890
and at Newcastle-on-Tyne

B. Waymouth Esq
London

Dear Sir

We have further
to ask you if you will kindly
state in what manner the
plans for the pumping arrangements
for the SS. "Bonaccord" were laid
before your Committee will you
kindly say also on what date
these plans were so submitted
when in what manner
your Committee indicated their

ABN20-0150 1/2

It is submitted that Messrs J & A. Davidson
be informed, that a plan of the pumping
arrangements of this vessel, was forwarded
to this office, through Mr. Hindmarsh the Society's
surveyor at Aberdeen, on the 23rd Oct/89. It
was examined, and recommended to be provisionally
~~approved of~~, in the departments of the Chief
surveyor and chief engineer surveyor, and recom-
mended to be provisionally approved of, on the
24th Oct^r, and that a letter, corresponding with
these recommendations, was sent by the
Committee on the 28th Oct^r to Mr. Hindmarsh.
