15th March, 1895.

Dear Sirs,

Reverting to previous correspondence respecting the stranding of your steamer "Saint Clair", and to the reported recent refloating of the vessel, I am directed to request that you will be so good as to let me know as soon as it has been decided when and at what port the necessary repairs will be executed, so that instructions may be sent to this Society's local Surveyors to give the case attention, with a view to the reinstatement of the vessel's class in the Register Book.

I am, Dear Sirs,

Yours faithfully,

A. J. R. & Co.
