LLOYD'S REGISTER  
LONDON.

Sir

REC'D - APR 92

APR 8/4/92

With reference to your letter of the  
5th inst respecting my report No. 1217  
"Poolster" I beg to ask you most  
respectfully whether it will be  
considered satisfactory if I charge  
to the owners only the fees due  
on the machinery report, and to  
drop the fees on the vessel, seeing  
that I have surveyed the boiler  
during construction.

I am,

Sir,

Your obedient servant

W. F. D. van Ollefen
