The Secretary
Lloyds Register of Shipping
London

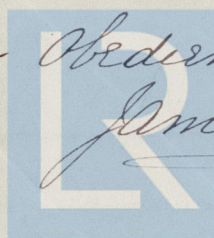

Sir,

The S. S. "City of Cambridge"
is now drawing near completion on the
Clyde. - the work requiring to be seen
completed by the Glasgow Surveyors, as
far as the Hull and Equipment are
concerned, are the closing in the openings
over Engines and Boilers, pumping
arrangement, Rigging, Sails, and steering
gear. I respectfully submit that
the enclosed report be forwarded to the
Surveyors in Glasgow to be completed.

I am

Sir

Your Obedient Servant
James Turpin
