

Belfast, 13th March 1886.

Maxton Esq.
Surveyor.
Belfast.

Sir:- We are requested by Mrs Blauy, the Owner of Barque "Edward Percy" to inform you that the certificates for anchors for this vessel have been lost. how or when she cannot say, but she believes the late Captain must have taken them amongst his papers.

Mrs Blauy had some trouble

selling with the late Captain which is the reason for her believing he must have taken the papers.

Mrs Blauy further states that she believes the present anchors & chains are her original ones. & these as you so doubt are aware are in splendid order. We trust you will see your way to save Mrs Blauy the great expense of getting new certificates as they cannot be done at this port.

Yours faithfully
J. M. B. Esq.
