Sir, Re. S.S. "Iran"

I am in receipt of your letter of the 19<sup>th</sup> inst with its enclosures relating to the above vessel - this morning; and I hasten to explain that the discrepancy which existed between my report and the approved section relating to the thickness of the frames at the end of the vessel was simply a clerical error on my part, this is now corrected; with regard to the bulk to side stringer, this is extended through the Engine & Boiler space, as now stated on my report.

I am, Sir,

Your obedient servant  
James Cunliffe

P.S. Please note that the fees for survey for classification A 1 \* in Red. have not yet been received.
