British & Foreign Shipping,
Belfast, March 27th 1886

The Secretary
Lloyds Register of Shipping
London.

Sir.

As the fees for the survey
of the S.S. Iran ^{Sept 16} for the A 1st in
Red Class, have not been paid,
please tell me whether I am
to hand the Certificate for this
Class - just received - to the
Builders before receiving the
fees or not.

I would observe that Mr. Pirie -
of the firm of Harland & Wolff - told
me that it was not their intention
to pay the fees for the above class,
and that the question of payment
for same rested solely with the
Owner.

I am, Sir,

Your obedient servant
James Tupper
