The Secretary
Lloyds Register of Shipping
London

Sir,

I beg to return my Reports on the
S.S. "Star of Victoria", and in compliance with
your request ^{of letter of the 1st inst.} to state that the bilge stringer
angles are fitted on the vessel of Steel $6\frac{1}{2} \times 4\frac{1}{2} \times \frac{16}{32}$
and that the freeboard mark is $5\frac{1}{2}$ for the
Fresh water line above the Centre of disc. - The
Reports are corrected accordingly, and I regret
that these clerical errors should have inad-
vertently occurred.

I am
Sir,

Your Obedient Servant
James Purpin
