The Secretary,
Lloyd's Register,
London E.C.

Sir.

In reply to your letter of the 23rd. inst.
having reference to the main deck beams on
S.S. Kirklands; I beg to state that they are
bull angles, the word "bull" on Rep. having
been inadvertently obliterated.

I likewise beg to state that all extra
broad strakes given in all have butt straps
^{than circular N2 662 requires.}
20 thicker, and treble riveted.

I am,
