

46

31<sup>st</sup> July 1858

Dear Sir

I have to inform you that  
from a report received from the  
Society's Surveyor at Liverpool it  
appears that the Harmer Thatch  
has undergone a portion of the  
Thine Periodical Survey as presented  
by the Tables of the Anti-Whitman  
Regions, at that port & I am  
informed that the same is to be  
completed at Belfast & that you  
have been supplied with a copy of  
the Surveyor's Report.

I shall therefore be glad if you  
will give the same due attention  
merit Observations, Ought to be taken.

Yours obedient Servant  
Surveyor
