The Secretary,
Lloyd's Register of Shipping
London.

Sir,

I beg to return my report No. 3688,
on the steel sailing vessel "California", having
revised the particulars, both on the report and
midship section, so as to agree with the
actual depth of the vessel, I have also
made the necessary correction with regard
to the cast steel rudder frame, and shown
on the midship section the position of the
quarter pillars. Regretting the inadvertence
and additional trouble and delay.

I am

Sir,

Your obedient servant
James Purpin
