The remarks of the Chief Surveyor are desired on this Case for the consideration of the Classing Committee.

Deferred 7/8/91.

N. I.

As no further word has been received from the Belfast Surveyors with reference to the fitting of a sounding pipe and angle iron at end of tank to carry the ceiling in this vessel, ^{as recommended by Mr. Davy.} It is submitted that the Owners should be asked to state if these repairs have been carried out and if the alterations mentioned to Mr. Davy have been made in order that the same may be examined by one of the Society's Surveyors and reported upon -
