

15th September, 1887

I am referring to the classification in this Society's
Register of your Steamer "SUSANNAH KELLY", I beg to acquaint
you that it appears from a report received from the Society's
Surveyors at Belfast, that the Survey on this vessel is still
incomplete as regards the fitting of a sounding pipe and angle
at end of tank to carry the ceiling in the vessel, and I have to
request that you will be so good as to let me know when an
opportunity will be afforded to the Society's Surveyors to complete
the survey in these respects.

I have also to enquire whether the alterations mentioned
by you to the Surveyor as about to be effected, have yet been done.

I am, Dear Sir,

Yours faithfully,

W. Kelly Esq.

Coal Exchange,

Belfast.
