

2098.8
ONE OR TWO DECKED VESSEL.

Shet Ship "Lauristm."

It is submitted that Messrs Henry Wood & Co. should be informed in reply to their letter of the 11th inst. that it is receiving consideration.

It is also submitted that Messrs Wood & Co. letter of the 11th inst. should be forwarded to the Belfast Surveyors, and they should be requested to offer any observations they may have to make thereon, especially as to the weights given in the letter not agreeing with those given in the first entry report; and they should be asked at the same time to state a comparison between the weight of the Cables supplied and the weight required by the Rules, for the information of the Committee.
