The Secretary
London

Sir,

In reply to your letter of yesterday regarding the Ownership & tonnage of the Steamer "Urmonston Grange" I regret the error in the name of Owners. Messrs Houlders Bros & Co was the only name mentioned by the Builders.

With regard to the tonnage, the numbers given on the first entry report are those furnished by the Board of Trade. The error in the tonnage of propelling space was afterwards discovered by them but of this I received no intimation & was not aware of it until making enquiries today.

Messrs W & Ruman Clark & Co have forwarded the Certificates to Messrs Houlders Bros & Co at 146 Leadenhall Street.

I am, Sir

Your obedient servant
A. L. Jones
