and Foreign Shipping.  
Belfast

July 2<sup>nd</sup> 1897

The Secretary,  
London.

Sir,

LLOYD'S REGISTER  
LONDON.  
RECP. - 5 JUL 1897  
ANSR 8 -

The following steel wire hawsers  
and Manila ropes are proposed for Messrs  
Harland & Wolff's S.S. No. 314 "Derbyshire",  
instead of those approved on the Midship  
section, viz. -

One 5" steel wire hawser 120 fms, in lieu of  
stream chain.

4 x 4" steel wire hawsers. 90 fms each.

8 x 7 Manila hauling lines 100 fms each

Two coils 3' Manila.

Please advise if these may be approved.  
The approved Mid. section is enclosed for re-  
ference.

I am, Sir,

Your obedient servant  
James Curran

BEL67 0154

Farlans Wharf

S.S. No. 314

It is submitted that  
the equipment of hawsers  
and warps proposed might  
be approved provided they  
receive the sanction of the  
Owner.
