Sir,

We beg to acknowledge the receipt of your telegram of this date repeating one received from the Belfast Surveyors respecting the case of the steamer "MARTE", and to inform you in regard thereto that the wire in question was evidently intended for the Builders, as we returned the hull report to the Belfast Surveyors on the 5th. instant. We have wired to them pointing out the mistake in addressing the telegram to you.

We are, Sir,

Your obedient servants,
