Sept 10th 1900

The Secretary,
London.

Sir,

In compliance with the request in
your letter of the 5th inst. having reference to
my first entry report on the S.S. 'Devonian',

I beg to state that the recommendations
contained in my damage report on the
4th July last were not completely carried
out here because there was no dry dock
available; the vessel was however placed
in dry dock in Liverpool on the 7th inst.
where the necessary repairs were to be
completed.

The Liverpool Surveyors were previously ad-
vised, and a copy of my damage report
forwarded to them for guidance.

I regret

that I omitted to state this on my
report.

I am.

Sir.

Your obedient servant
