6th January, 1903.

Dear Sir,

S.

Reverting to your letter of the 31st ultimo respecting your steamer "MAPLEMORE", to be renamed "CITY OF EDINBURGH", I beg to acquaint you that I have been in communication with the Society's Surveyors at Belfast and that it appears that the survey of repairs and alterations which the vessel is now undergoing there has not yet been completed. The Surveyors have, however, been requested to send in their reports immediately the repairs are completed, and as soon as the reports have come to hand I shall have much pleasure in furnishing the statement which you desire.

Trusting that this will be satisfactory to you,

I am, Dear Sir,

Yours faithfully,

Secretary.
