S.

Gentlemen,

I have to acquaint you that the Owners of the steamer "MAPLEMORE" intimate that they propose to change the name of this vessel to "CITY OF EDINBURGH", and have requested to be supplied with the customary statement for the Board of Trade to the effect that the Society's Rules as regards survey have been complied with.

Under the circumstances, I shall be glad if you will state how your survey of the vessel now stands and if finished, you should forward your report without delay.

I am, Gentlemen,

Your obedient Servant,

Secretary.

The Surveyors,
BELFAST.
