I Herby beg to forward report, midshipssection, scetch of water-ballast tanks, particulars of do. for the iron screw steamer, "Victoria", Capt. Münster built at "Bergens mekaniske Værksted" under my special survey and intended to be classed 90 A 1, to which class I hereby recommend the vessel as being built to my satisfaction. Mr. Hougland will also forward his report on the machinery.

Hoping that his proposition will meet with the approval of the hon. committee and awaiting the certificate sent to me

Yours obedient servant
