

6.
Sir,

22 January 1865

I am in receipt of
your letter of the 20th January
respecting the wish of
Messrs Martens, Olsen & Co, of
Bergen, that the records of
the S. J. "Redrelandet", built
by them, may be withheld
from the Register Book,
and while apprising you
that there appear no
grounds for the Committee's
departing in this case from
their usual practice of
recording in due course
the vessels classed by them
and that therefore the
"Redrelandet" will be duly
entered in the Register
Book, I request you will
inform me of the names
of the owners who should
appear therein.

I am, Sir,

C. Houlston Esq
Bergen

Your obedient Servant

W. H. Thompson
Registrar
